A few times a week	I create folders manually	Definitely	Videos edited	I used my calendar	Google calendar	Sending emails	I have a rough idea	Yes, I would love that
Rarely	I create folders manually	Definitely	Password input	I don't have a system - I do things manually			I have a rough idea	Maybe, if it's easy to understand
Rarely	I create folders manually	Definitely	Creating folders for all my new projects	I use current available apps	Notion	Create and arrange files and folder automatically	I track it very closely	Yes, I would love that
A few times a month	I create folders manually	Not really	Witting docs	I use scripts or automation tools	Shortcuts	Closing unnecessary background tasks	I honestly have no idea where my time goes	Not really
Rarely	I just use search to find what I need	Maybe	Assignments and study research	I don't have a system - I do things manually			I have a rough idea	Maybe, if it's easy to understand

If you could wave a magic wand and make your desire a reality, how valuable would an "all-in-one personal automation" be to you?	How valuable would an "all-in-one personal automation" be to you?	What concerns might stop you from using such an automation?
Not sure.	Extremely valuable	Privacy/security
No ads, more reminders to which I don't obey. Yes.	Somewhat valuable	Cost and privacy
The Home Screen format. To be able to see and edit the tasks I have to complete on my phone.	Somewhat valuable	Cost
	Somewhat valuable	Ease of use
	Extremely valuable	Privacy/security
	Extremely valuable	Cost
having a better folder system for all my study materials	Extremely valuable	Cost
Tracking down the time I spend on it	Extremely valuable	Learning how to use it
	Not valuable	Privacy/security
Sorting my files alphabetically and make things easier to find	Extremely valuable	Privacy/security
	Extremely valuable	Privacy/security
	Somewhat valuable	Cost
No	Extremely valuable	Learning how to use it
No	Not valuable	I don't believe automation will help me
Maybe	Somewhat valuable	None, bring it on we see
	Somewhat valuable	Privacy/security
	Somewhat valuable	Cost
Automatic hourly reminders	Extremely valuable	Privacy/security
Have a time tracker	Extremely valuable	Privacy/security
everything	Extremely valuable	Learning how to use it
	Extremely valuable	Cost
Less clutter on my desktop.	Extremely valuable	Cost
	Extremely valuable	Learning how to use it
Filing system	Extremely valuable	Cost
Block access to other sites while studying or working	Extremely valuable	Privacy/security
N/A	Somewhat valuable	Privacy/security
I don't know	Extremely valuable	Learning how to use it
Timing	Extremely valuable	Privacy/security
I wish I could change for not accessing social media	Somewhat valuable	Cost
How files are stored and retrieved, looks like heads	Extremely valuable	Privacy/security
	Extremely valuable	Cost
	Extremely valuable	Privacy/security
	Extremely valuable	Cost
N/A	Extremely valuable	Cost
N/A	Extremely valuable	Learning how to use it
	Somewhat valuable	Privacy/security
	Extremely valuable	Privacy/security
	Extremely valuable	Cost
My mental health	Somewhat valuable	Cost
Organized files and documents	Extremely valuable	Privacy/security
	Not valuable	Privacy/security
The themes	Somewhat valuable	Privacy/security
	Extremely valuable	Privacy/security
I would have a personal documents manager	Extremely valuable	Privacy/security
Reduce the background tasks automatically	Extremely valuable	Cost and how much resources its using on my computer
	Extremely valuable	Learning how to use it
